# TC Series - TC20

Satin Black

**TC20 series** DuoLine® Connector Assembly  
Self Trimming Cover

- **Compact footprint - high density, shallow depth package.**
- **Fits in floors, stair risers, walls, furniture, or anywhere space is limited.**
- **DuoLine® standard or fully custom insert panels available.**
- **Available loaded and labeled.**
- **Mounts on BBTC2 backbox.** *ordered separately.*

The newest addition to the TC series, the TC20 offers the versatility of the DuoLine® system in a compact configuration that provides maximum connector quantity in the smallest area.

The TC20 accepts more connectors and affords greater flexibility than our popular SR series... in less space.

The TC20 will accommodate 2ea DuoLine® inserts.

Custom insert available for Extron® MAAP devices.
